

DECLARATION OF COMPLIANCE

Regulation (EC) No. 1935/2004: For materials and articles intended to come into contact with foodstuffs.

Date of Issue: 20/03/24

Product name: FrostIt Standard Blue 18" & 21" Disposable Piping bags.
Item numbers: FI-18TOB-6 & FI-21TOB-6

This declaration applies to the above listed parts and relates to SGS Test Report No. VNHL2402004658HG
Date: March 08, 2024.

When used as specified, the products comply with the formulary and testing requirements of Commission Regulation (EU) No. 10/2011 (Plastics Directive).

When used as specified, the products comply with the organoleptic and colourfastness testing requirements of the Framework Regulation (EC) No. 1935/2004

Therefore, the finished product identified in this Declaration complies with the requirements of the Framework Regulation (EC) No. 1935/2004.

This Declaration was issued on 20/03/23 and is based on the information applicable to the product above as of this date. The Declaration shall remain valid until changes in the production of the material or article are made, or changes to the applicable legislation are implemented.
