REACH declaration

We hereby declare that our porcelain products manufactured at our German sites comply with the current REACH Regulation (EC) No. 1907/2006. To the best of our knowledge and the information available to us, the products mentioned do not contain any substances of very high concern (SVHC) in concentrations above 0.1% by weight, as listed in the candidate list of the European Chemicals Agency (ECHA).

We confirm that all relevant substances have been properly registered and that the specified limit values are not exceeded. Our company complies with all information obligations under Article 33 of the REACH Regulation.

This declaration is based on our current knowledge and may be updated if legislation changes or new findings arise.
